ABOUT ME

Passionate about software development and modern technologies, with strong interest in Artificial Intelligence & Machine Learning. Continuously improving technical skills through practical projects, problem-solving, and hands-on learning.

EDUCATION

Seshadri Rao Gudlavalleru Engineering College, Gudlavalleru Aug 2024 – Present

B.Tech in Computer Science Engineering

Specialization: Artificial Intelligence & Machine Learning (AI & ML)

CGPA: 8.40

Sri Vijayananda Junior College, Pedana Jun 2022 – Apr 2024

Intermediate – MPC (Mathematics, Physics, Chemistry)

Percentage: 95.9%

SKILLS

Programming Languages: C, Python, Java

Technologies: HTML, CSS, JavaScript

Tools: Git, GitHub, VS Code

Other Skills: Problem Solving, Data Structures, Machine Learning (Basics)

PROJECTS

• AI Study Assistant

- Developed an AI-based chatbot using Python and Flask to assist users with study-related queries.
- Designed an interactive and user-friendly chat interface for seamless user experience.
- Built a responsive frontend using HTML, CSS, and JavaScript.

Technologies Used: Python, Flask, HTML, CSS, JavaScript

• Scientific Calculator

- Developed a responsive scientific calculator with advanced mathematical operations.
- Implemented calculator functionalities including arithmetic, trigonometric, and logarithmic operations using JavaScript.
- Designed a clean and intuitive user interface for better usability.

Technologies Used: HTML, CSS, JavaScript

CERTIFICATIONS

- Introduction to Python
- Fundamentals of Machine Learning

ACHIEVEMENTS

- Consistent academic performance throughout Intermediate (MPC).

LANGUAGES

- English
- Hindi
- Telugu (Native)
